Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in EO 12866. Therefore, a regulatory assessment is not required. It is hereby certified that these regulations do not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that, by increasing the receipt threshold from \$25 to \$75, these regulations are expected to reduce the existing recordkeeping requirements of taxpayers, including small entities, from 49,375,000 hours to 36,920,000 hours. The regulations do not otherwise significantly alter the reporting or recordkeeping duties of small entities. Therefore, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Before adopting these proposed regulations as final regulations, consideration will be given to any comments that are submitted timely (and in the manner described in ADDRESSES portion of this preamble)

to the IRS. The IRS is considering publishing a revenue procedure implementing § 1.274-5T(f)(4)(ii) of the temporary regulations (that is, prescribing rules under which an employee may make an adequate accounting to his employer by submitting an expense voucher or equivalent without submitting documentary evidence such as receipts) for federal government agencies that use the published procedures. In addition, the IRS is considering whether there are circumstances or conditions under which the IRS could extend these procedures beyond federal government agencies, and requests comments in this regard. The IRS also requests comments on what procedures (such as internal controls) should be required in any rules that permit a taxpayer to satisfy the substantiation requirements of section 274(d) for purposes of deducting business expenses reimbursed to employees who have accounted for their expenses only by means of an expense voucher or equivalent without documentary evidence such as receipts. All comments will be available for public inspection and copying. A public hearing will be scheduled and held upon written request by any person who submits written comments on the proposed rules. Notice of the time and place for the hearing will be published in the **Federal Register**.

Drafting Information

The principal author of these proposed regulations is Donna M. Crisalli, Office of the Assistant Chief Counsel (Income Tax and Accounting). However, personnel from other offices of the IRS and Treasury Department participated in their development.
